GROUP OF SCHOOLS & COLLEGES

**Peace
Through
Education**

A TRUE JOURNEY OF SUCCESS (2010-2021)

Mr. Ahmad Tashfeen is a young budding administrator who always commands deference in the circle of his peers. In poise and demeanor he always reigns Supreme. He is a youth of multifarious qualities. He has done his MS in Entrepreneurship (Gold Medalist) from University of South Florida USA. He is mild in speech and active in action. He brought a revolutionary change in the peace system by his innovative outlook and foresight. He promoted the intimacy and affability inside the system and bridged the gape between administration and academics. He owns submissive boldness which always welcomes any change that can bring improvement in the educational attainments.
